

# REMOTE SEARCH LIGHT - spot and flood

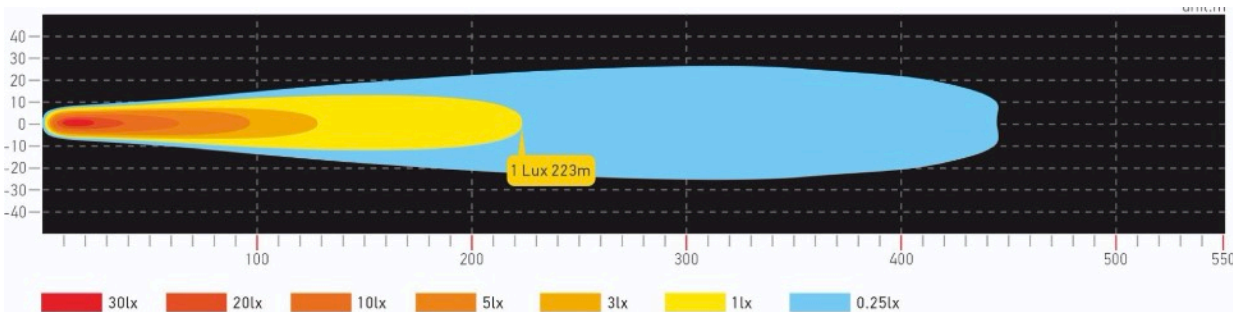

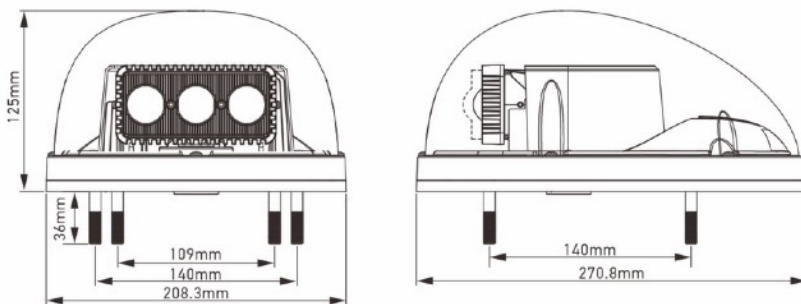

## FEATURES:

- Voltage: 10-33V DC
- Nominal power: 3x 10W LED
- Lumen: 2145Lm
- Vertical movement: 0° - 90°
- Horizontal movement (rotation): 360° infinite
- Automatic reset to default position after power off
- Emergency flashing function (SOS)
- Installation: 4x screw
- Approvals: ECE R10, CE, RoHS
- Ingress protection (IP rating): IP67

### Included remote control:

- wireless and wired
- 5 buttons to turn on/off and control the search light
- 2 buttons to switch between spot and flood beam
- button to adjust the speed of movement and to activate emergency flashing (SOS)

Candela Output  
maximum intensity  
I=50600 cd

Illumination  
Distance  
Distance to drop to 1lux
